Very private setting for this 3 bedroom, 3 bath home on almost 15 acres. The long drive winds through the forest to reach this home which overlooks its own pond and gardens. Wall-to-wall windows in the great room overlook the deck and pond. Vaulted ceilings and extensive use of slate and hardwood. Tons of natural light!

Kitchen

Designer Kitchen with stainless steel appliances and BBQ deck. Room for a breakfast table. Built-in oven, cooktop, microwave, dishwasher and sided-by-side refrigerator/freezer.

Great Room

Combined Dining Room and Family with hardwood floors and fireplace, Enjoy the peaceful views over the deck and pond. The French doors provide access to the large deck which was recently completed.

Bedrooms:

Main Floor Bedroom with west view and its own 3 piece bathroom.
