

# High Land

**Location: Mono**  
**Acreage: Approx. 60 acres**  
**Price: \$799,000.00**

Lovely restored farmhouse on approximately 60 acres. Rolling farm land, stream and pond. "High Land" has been farmed by a tenant farmer, which could continue or it could readily become a horse farm. Original hardwood floors and trim, newer furnace. Roof shingles will be attended to prior to closing. Fast closing is possible.

Stream and pond are a haven for wild life.

A very special property.
