100 Acres, King

A classic original country estate in King. The property spans 100 acres with a mix of rolling farm fields, forest lands, valley and pond.

The long private drive leads past a gate house and then up to the main house and stable complex.

The century home with its addition was designed by noted Canadian architect, B. Napier Simpson, Jr.

The location of the property is ideal being approximately 10 minutes to Aurora and top area schools including St Andrews College and The Country Day School.

The property is surrounded by some of King's finest estates. This property has not come to market in the last 50 years and is a rare opportunity to acquire large acreage in a prime position.
